4th International Conference

Artificial Intelligence for a Sustainable Future: Transforming Business and Society

(IC-SOBD-27) | Hybrid Mode

18–19 February 2027 | SOIL School of Business Design, Gurugram, India

About the SOIL School of Business Design

At the SOIL School of Business Design, our philosophy is rooted in the belief that everyone possesses untapped creativity. We strive to unlock and nurture this innate creative potential, transforming the way individuals approach real-world challenges through design thinking and innovation.

Our core principle is to develop innovative leaders capable of driving global change. We envision a future where our graduates, armed with design thinking, lead the charge in solving complex problems. By embracing diversity and placing design thinking at the forefront, we empower individuals to become catalysts for transformative solutions and redefine the boundaries of business education.

About the Conference

Artificial Intelligence (AI) is reshaping industries, economies, governance and society, redefining how organisations create value and address complex challenges. Yet climate change, resource scarcity, social inequality and ethical concerns call for responsible innovation that balances economic growth with environmental stewardship and human well-being.

The 4th International Conference on “Artificial Intelligence for a Sustainable Future: Transforming Business and Society” offers an interdisciplinary forum to examine the opportunities, challenges and future directions of AI-driven sustainable transformation. It is aligned with the UN Sustainable Development Goals, India’s National AI Mission, Industry 5.0 principles and ESG frameworks.

Objectives

The conference aims to advance interdisciplinary research on AI for sustainable development and to promote ethical, human-centric AI. It also seeks to strengthen academia–industry–policy collaboration for inclusive growth and to foster international knowledge exchange and networking.

Who Should Attend

The conference is open to academicians, doctoral scholars, students, policymakers, industry professionals, entrepreneurs, start-ups and consultants working at the intersection of AI, business, society and sustainability.

Call for Papers

Original empirical and conceptual papers, systematic reviews, case studies, policy analyses, posters and thesis proposals are invited. Topics include, but are not limited to:

TRACK 1: AI-POWERED MARKETING, CONSUMER BEHAVIOUR & DIGITAL EXPERIENCES

- Generative AI in marketing communication, branding, advertising and social media
- AI-driven consumer insights, marketing strategy, segmentation and targeting
- AI-enabled customer experience, personalisation, CRM and omnichannel retail
- Consumer trust, AI adoption, decision-making and emerging behaviour on digital platforms
- Responsible, ethical, sustainable and inclusive AI in marketing

TRACK 2: AI, HUMAN CAPITAL & THE FUTURE OF WORK

- AI in HRM: recruitment, talent management and people analytics
- Generative AI, human-AI collaboration, knowledge work, creativity and innovation
- Employee experience, engagement and well-being in human-centric Industry 5.0 organisations
- Reskilling, upskilling, future skills and workforce transformation
- AI in leadership, organisational decision-making, algorithmic fairness and workplace governance

TRACK 3: AI IN FINANCE, FINTECH & SUSTAINABLE FINANCIAL SYSTEMS

- AI and Generative AI in financial markets, investment and financial decision analytics
- FinTech, digital banking, InsurTech, blockchain and digital currencies
- AI-enabled risk management, fraud detection, credit assessment and financial inclusion
- AI in corporate finance, behavioural finance, macroeconomic forecasting and public finance
- Sustainable finance, ESG, regulation, governance and compliance of AI in finance

TRACK 4: AI-ENABLED OPERATIONS, SUPPLY CHAINS & INDUSTRY 5.0

- AI in operations, process management, smart manufacturing and digital twins
- Industry 5.0, robotics, automation and human-robot collaboration
- AI-enabled supply-chain resilience, procurement, logistics and mobility
- AI-driven demand forecasting, inventory, quality, maintenance and operational risk
- AI for green supply chains, circular operations and resource optimisation

TRACK 5: AI, DATA ANALYTICS & INTELLIGENT DECISION-MAKING

- Big data, business intelligence, predictive, prescriptive and forecasting analytics
- Machine learning, Generative AI, LLMs, NLP and computer vision in business
- AI-enabled decision support and intelligent systems: IoT, edge computing and digital ecosystems
- Explainable and trustworthy AI, data governance, privacy and cybersecurity
- AI and analytics for sustainable development

SPECIAL TRACKS

PhD Thesis Presentation | Poster Presentation

Publication Opportunities

Selected papers, subject to peer review, may be considered for publication in reputed Scopus- and ABDC-indexed journals.

BEST PAPER AWARDS

Track-wise recognition for outstanding papers

Total cash prize up to INR 95,000

Travel Support

Travel grants will be provided to one presenting author per accepted paper, covering two-way rail fare up to Third AC (3AC) by the most direct route.

Accommodation Support

Shared accommodation and meals will be arranged for presenting authors during the conference. Since local accommodation is limited, participants are advised to confirm their requirements in advance.

Submission Guidelines for Extended Abstracts

Submit an original extended abstract of 800–1,000 words, excluding references. Maximum similarity index: 5%. AI-generated content is not permitted.

Include: Title and author details • Introduction • Objectives • Methodology
Findings • Implications • 4–6 keywords • Up to 15 APA references

Formatting & Review

Times New Roman, 12-point; 1.5 line spacing; 1-inch margins. Title: 14-point bold, no more than 20 words. Submit as .doc/.docx or PDF. All submissions undergo double-blind review. At least one author must register to present. Submissions that do not follow the guidelines may be rejected.

Important Dates

Milestone	Date
Extended abstract submission closes	30 November 2026
Communication of selected abstracts	15 December 2026
Last date for conference registration	31 December 2026
Final paper submission	15 January 2027
Conference dates	18–19 February 2027

Submit your extended abstract: https://forms.gle/o4ZoxVY2yMFgtDqs6

Registration Fee

Participant Category	Fee (inclusive of GST)
PhD Scholar	INR 2,000 (20 USD)
Academician / Industry Practitioner	INR 3,500 (40 USD)

Bank Transfer

Account Holder: Inspired Leadership Gurukul
Account Number: 57500000139284
Bank: HDFC Bank IFSC: HDFC0000044
SWIFT: HDFCNBB
Branch: A-12, The Shopping Mall, DLF Qutub Enclave, Phase-1, Gurugram 122002, Haryana.

Conference Team

Patrons	Shri Anil Sachdev, Founder & Chairman; Mr. Sahil Sachdev, President
Conference Chair	Dr. R. Srinivasan, Director
Conference Convenors	Dr. Manpreet Kaur, Associate Professor, Research Chair; Dr. Vani Aggarwal, Senior Assistant Professor, Research Co-Chair
Conference Co-Convenors	Dr. Sanjib Bhattacharjee, Associate Professor Dr Ajit Kumar, Associate Professor Dr Chitra Khari, Senior Assistant Professor
Student Convenors	Pratham Mittal, Student Convenor; Aryan Tuli, Student Convenor; Isha, Student Co-Convenor; Kritika, Student Co-Convenor

Faculty & Organising Team

Dr. Atindra Nath Bhattacharya — Professor	Dr. Debrata Das — Professor	Dr. Ariya Chakravarty — Professor
Dr. Neetika Batra — Professor	Dr. P Malavizhi — Professor	Dr. Vidya Iyer — Professor
Dr. Bidyanand Jha — Professor	Prof. Navin Chand Rao — Professor for Practice	Prof. Naveen Manshani — Professor for Practice
Dr. Bianka — Professor	Dr. Ranjita Gupta — Associate Professor	Dr. Vineeta Mishra — Associate Professor
Dr. Mrinal Verma — Associate Professor	Dr. Sanjib Bhattacharjee — Associate Professor	Dr. Samiran Jana — Associate Professor
Dr. Jobin Jacob — Associate Professor	Dr. Pragya Sonawane — Assistant Professor	Dr. Alka Sanjeev — Assistant Professor
Dr. Anita Yadav — Assistant Professor	Prof. Chandan Jha — Assistant Professor	Dr. Udayan — Assistant Professor
Dr. Anurag Shukla — Assistant Professor	Dr. Amita Soni — Assistant Professor	Prof. Ankita Singh — Assistant Professor
Dr. Poonam Arora — Assistant Professor	Prof. Aman Qureshi — Assistant Professor	Prof. Swati Singh — Assistant Professor
Dr. Mrinal Mudgil — Assistant Professor	Prof. Gyanda Ginisha — Faculty Associate	Prof. Damini Ghera — Faculty Associate

Steering Committee

Committee Member	Committee Member
Prof. Akansha Malik Senior Lecturer, London Metropolitan University, UK	**Swati Garg** Lecturer, Keele Business School, Keele University, UK
Mayank Garg AI transformation expert, Google	**Arpendu Ganguly** Senior Data Scientist, Pernod Ricard
Priyanka Gupta Research Manager, Kearney	**Dr. Murali Kallummal** Centre for WTO Studies, IIFT Delhi
Bhaskarjit Sarmah Head of AI Research for Financial Services, Domyn	**Dr. Benny Godwin J Davidson** Research Professor, University of the Fraser Valley, British Columbia, Canada
Dr. Vaibhav Puri Assistant Professor, Shri Guru Gobind Singh College of Commerce	**Neha Sharma** HR Professional, Maruti Suzuki Private Limited
Prof. Shuchi Sinha Professor, Department of Management Studies, IIT Delhi	**Dr. Vinod Sharma** Professor, Jaipuria Institute of Management, Jaipur
Dr Tarun Arora Associate Dean, Economics and Public Policy, O.P. Jindal Global University, Haryana	**Dr Vishal Dagar** Assistant Professor, Great Lakes Institute of Management, Gurgaon
